RE: Our File 582-769 USSR
PM No. 592

Dear Les:

We have received a further Official Action in the above case and enclose a copy of the translation of the same.

You will note that the Committee persists in its rejection of the application and reply to the Action should be filed by December 15, 1976.

In view of the difficulty we have had in prosecuting this application, I suggest it might be desirable to have a telephone conference to discuss the same at your convenience.

Very truly yours,

George J. Brandt, Jr.
